## NOTE

---

Contributions on general and midland natural history will be gladly received. Papers on botany and allied subjects, zoology, geology and physical geography, should be addressed to the editor.

Matters relating to advertisements are to be taken up with the secretary of the University.

One hundred reprints of articles averaging eight pages or more will be furnished *free of charge* to contributors. More than one hundred separates can be obtained at cost price of the extras. When articles consist of less than eight pages, a certain number of copies of THE AMERICAN MIDLAND NATURALIST in which the paper appeared will be supplied free, or the separate articles may, by arrangement with the editor, be kept until future papers average eight pages, provided the contributions are sent in for the next consecutive issue for publication. Contributors of articles will receive a free subscription for the year in which their paper appears. For further or other information address

THE EDITOR, Notre Dame, Indiana

Subscribers that do not receive their copies regularly because of loss in mails, etc., should enquire about having such replaced before the expiration of the same month in which THE MIDLAND NATURALIST appears. *The date of publication comes the 1st to the 15th day bi-monthly.* The numbers preceding the summer vacation may be anticipated. Beginning with the January number the yearly subscription will be \$1.50. All old subscriptions renewed before January 1, 1914, will continue at the old price, \$1.00.
